ANNOUNCEMENT

**Mark Your Calender
And Join Us!**

The Malaysian Society for Non-Destructive Testing (MSNT) is proud to announce and invite you to its biennial event, the Malaysia International NDT Conference and Exhibition (MINDTCE). The Conference and Exhibition marked the 6th MINDTCE conference series organized by MSNT, is one of the scheduled international NDT events for 2022. As in the preceding MINDTCE, the conference and exhibition have offered one of the best promotions of NDT in this region and great opportunities to meet and interact with the people from various industries, research organizations, academia, NDT training and certification, regulatory bodies, etc. Thus, MINDTCE provides the most suitable platform for presenting, promoting and displaying the current and latest developments and solutions that revolutionize NDT. MSNT welcomes all relevant parties and organizations to this event.
